Developer:
Snkl Studio
Publisher:
Snkl Studio
Franchise:
TAL
Release Date: 20 Nov, 2018

a09c17d780

English

Sheer awesomeness - complete with chattering monkeys! - even if it's only two tracks long.

I bought this *and the game* for a smidgen over a dollar US, so I'm not complaining. You'd have to be an eejit to pay a full dollar for this *and this alone*, though.

Verdict: 8.5\10.
